Press Release

On 09-10-2014 Bates County Sheriff Office, Butler Police Department and the Missouri State Highway Patrol executed a search warrant at 302 South Olive Street in Butler. The search warrant was a result of a long term investigation involving the distribution of illegal narcotics from this residence. Once law enforcement entered the residence they located methamphetamine scales and containers used to conceal and transport methamphetamine.

One White male was arrested and charges are pending at this time.
