## Press Release

On April 18, 2015, Bates County Sheriff's Deputies took a report of a stolen truck and stock trailer on County Road 13004 in Adrian, MO. The truck is a 1994 Chevy crew cab that is red in color. The trailer is a bumper hitch stock trailer that is 16 feet long and gray in color. The owner of the truck told the Deputy that the truck and trailer were not registered so neither one had license plates on it. The owner said that there were two subjects who rented the property they had a key to the truck. The Deputy spoke to the neighbor who advised him that on the 18th she left her home around 2:00 p.m. and when she returned a few hours later she noticed that the truck and trailer were no longer in her neighbor's driveway.

On April 23, 2015, Detectives arrested two suspects in reference to the stolen truck and trailer. The two suspects were put on a 24 hour investigative hold. Charges are pending at this time.
