On June 8, 2015 Deputies took a report of a burglary that had occurred at Bates County Redi-Mix. When an employee went to get a load of rock, he noticed that several items were missing from the shop area. A Detective from the Bates County Sheriff's Office was dispatched to the scene after shoe prints had been found. Several photos were taken of the area. The Detective also did a canvass of the area.

The Employee made a list of items that were missing. The value of the items is approximately \$14000.00. There was a Miller Blue Star Welder, a 90 pound air breaker and a 30 pound air breaker, cut off saw, hand grinders and other miscellaneous tools missing.

If you know anything about this burglary, Sheriff Anderson urges you to contact a Detective at 660-679-3232.
