On November 10, 2015 a Deputy from the Bates County Sheriff's Office was dispatched to county road 4001 in Adrian, MO in reference to vandalism. Upon his arrival the Deputy met with the victim who stated that someone had vandalized his 1994 John Deere combine. The Deputy observed that all four tires on the combine had been cut. The main wiring harness as well as the fuel line had also been cut. The Deputy also observed that almost every belt on the combine had also been cut. There was a semi truck parked just east of the combine that the suspects had also attempted to cut the tires on as well. The victim estimated there was \$30,000.00 in damage done to the combine.
