Brison started his career in Law Enforcement by working as a Detention Officer at the Bates County Sheriff's Office. He is currently training to be a Deputy. Pictured in the center is Mitchell Erickson. He graduated from Henry County's Police Academy. Erickson has been a Detention Officer with the Bates County Sheriff's Office since 2012. Soon he will begin his training as a Patrol Deputy. Brad Driver, pictured far right, also graduated from Henry County's Police Academy. Driver recently has made the transition from Detention Officer to Bates County Sheriff's Office's E911 Director. Driver will also be filling in as needed for the Patrol Division.

"These three young men will become valuable assets to Law Enforcement in Bates County. They have already been an asset to the Bates County Sheriff's Office by working in the jail and I am excited to see them progress in their career in Law Enforcement." said Sheriff Anderson.
