The Family Care Clinics teamed up with the Bates County Sheriff's Office for a toy drive to benefit children in Bates County. Drop boxes were set up at Family Care Clinics in Butler, Adrian and Rich Hill to collect toys. Deputies from the Bates County Sheriff's Office will be passing out the toys this week to children in need.

Sheriff Chad Anderson would like to thank everyone who donated toys for this toy drive. Your donations will help make Christmas a little brighter this year for many children.
