On May 28, 2016 Deputies responded to a residence in Amoret, MO in regards to a disturbance in progress. The reporting party advised Deputies that his father was upset and pointing a gun at him. The Deputies spoke with the man's father who advised he did not point the gun at his son and he was just upset about the Memorial Holiday. After the Deputies spent some time with the Father about his problems the Father then unloaded all of the guns in his home. He also advised the Deputies he wanted his son to leave his property because he keeps stealing his money and he brings people to his house that are stealing from him. The son then had an altercation with his Father. The son then refused to obey a lawful order from the Deputy. The son then began to resist arrest. Once the Deputies were able to handcuff him, he was transported to the Bates County Jail where he was placed on a 12 hour detox.
