The Bates County Sheriff's Office took a report of a stolen truck this morning. The truck was stolen from a residence on State Route D in Butler, MO sometime this week.

It is a 1984 Chevrolet truck that is white in color. It has a regular cab with a long bed and a 4 inch lift. The driver's side window on the truck has been broken out. The front license plate on the truck is 5SW305. It has a Fort Scott Livestock plate on the back of the truck. There are clearance lights in the tailgate of the truck.

The stolen truck does not have a lot of monetary value. But it does have a lot of sentimental value. The truck was owned by the victim's deceased Father. The victim's just want the truck returned to them.

If you have seen this truck or have any information on it, please do not hesitate to contact a Deputy at 660-679-3232.
