On November 25, 2017 a Deputy conducted a traffic stop on a vehicle in Butler for having a tail light out. The driver had a dog in the vehicle with him that was barking. He exited the vehicle to talk to the Deputy. He stated that he had a knife on him and possibly a weed pipe in his pocket. The Deputy searched the driver and located a Chap Stick tube that did not have a lid on it. Inside the tube was a clear baggie with a white crystal substance in it. The driver told the Deputy it was meth. A field test of the substance confirmed that it was methamphetamine.

The driver was placed under arrest and was transported to the Bates County Jail and was put on a 24 hour investigative hold. Charges are pending at this time.
